Re: 14th Annual Deer Lake Chamber of Commerce Golf Tournament

Mark your calendar for the 14th Annual Chamber of Commerce Golf Tournament. On Saturday September 18, you will want to be at the Humber River Golf Course in Deer Lake for a great day of networking and fun. Teams of five players playing best ball on a shot gun start (18 holes) will start at 9:30 am. There will be prizes to be won on each hole followed by dinner and prize giveaways.

If you wish to participate in this tournament, you will be given the option of entering a full team as in previous years or enter on an individual basis. People registering on an individual basis will be randomly assigned to a team based on their level of golf experience and skill. It is anticipated that this format will increase participation from small business and provide greater networking opportunities for our members. It will also ensure that all participants will have a positive golf experience regardless of skill level or ability to form a team.

In addition to participating in the tournament, we are also offering to our corporate community the chance to take advantage of attractive sponsorship plans. These include options as a Presenting Partner or Hole Sponsor as well as opportunities in donating prizes or concession items in support of the tournament. Sponsorship is a great way for your company to receive exposure while helping support Chamber initiatives.

The Deer Lake Chamber of Commerce is a non-profit organization made up of businesses, professionals, community groups and interested individuals. As a not for profit organization, we rely heavily on our Annual Golf Tournament to not only provide a valuable networking and social event for our members, but also as a major fundraiser to support chamber initiatives. We appreciate your consideration in supporting this event and I look forward to hearing from you soon. Should you have any questions, do not hesitate to contact me at any time.

Sincerely,

Paul Chaulk

Chamber Co-ordinator
